

WAR0online TERMS OF SERVICE

Copyright 2011-2026 WAR0online.com. Effective June 18, 2026.

1. LIVE SERVICE USE

WAR0online is a live online game and website service. By using the website, account system, downloads, and item shop, players agree to follow these terms and any operational rules published by WAR0online staff.

2. ACCOUNT RESPONSIBILITY

Players are responsible for maintaining the security of their account credentials, devices, and contact methods. Shared, sold, or carelessly exposed accounts remain the account holder's risk.

3. FAMILY-FRIENDLY CONDUCT

Official website, Discord, support, and in-game public spaces must remain suitable for younger audiences. Profanity, sexual language, hate speech, threats, bullying, harassment, and abusive targeting are prohibited.

4. FAIR PLAY AND SECURITY

- Cheats, automation, packet edits, dupes, exploit abuse, unauthorized tools, and account theft are forbidden.
- Fraudulent purchases, chargeback abuse, impersonation, or efforts to disrupt service stability are forbidden.
- Attempts to compromise the game, website, patch service, database, accounts, or payment flows may trigger immediate enforcement.

5. PURCHASES AND VIRTUAL ITEMS

MCoin, item shop items, bundles, and digital unlocks are licensed for live service use and may be adjusted, removed, or reversed where fraud, exploit abuse, delivery failure, or operational rollback requires it.

6. ENFORCEMENT

- WAR0online may issue warnings, temporary suspensions, permanent bans, item removals, balance reversals, or access restrictions.
- Security incidents may be escalated to hosting providers, payment processors, or legal authorities where appropriate.
- WAR0online may preserve account, payment, and technical records to investigate abuse or protect the service.

7. SERVICE CHANGES

WAR0nline may update rates, content, schedules, balances, account flows, or backend systems to maintain fair play and service stability.
